Got Groups?

We Have Group LTCi & Medicare Supplement Plans

For Agents Information Only.....

We have many brokers who are primarily in the group health insurance marketplace.

We get asked quite often if we have **group LTCi and group Medicare Supplemental** plans.

I'm happy to say YES we do!

Requirements:

- **LTCi:** Employer Groups
- **Medicare Supplement:** Employer Groups

If you have groups you should be thinking of these lucrative products.

If you have a group you'd like to discuss - **Get us the information below by** calling **1-800-443-5149**, email todd@lrcassoc.com or fax: 1-845-425-9312

Here's what we need:

- Employer's main location (state)
- Census (if available)
- Total number of employees
- Breakdown of what states they live in (how many in each state etc.).

NO GROUPS?

We still have the best in individual coverage for [Long-Term-Care](#) and [Medicare-Supplements](#) - contact us today and we'll get you started.

Also - ask how your existing IRBA members are already pre-qualified for a 10% LTC premium discount on individual plans.
