Who are the network providers?

They are licensed providers who are extensively reviewed and credentialed to ensure that stringent standards for quality service are maintained. Please call **1-800-999-5431** to access the Interactive Voice Response (IVR) Unit, which will supply you with the names and addresses of the network providers nearest you, or you may access Davis Vision's website at www.davisvision.com and utilize the "Find a Doctor" feature.

When will I receive my eyewear?

Your eyewear will be delivered to your provider from the laboratory generally within two to five business days. More delivery time may be needed when out-of-stock frames, ARC (anti-reflective coating), specialized prescriptions or non "Tower Collection" frames are selected.

What about out-of-network provider benefits?

You may receive services from an out-of-network provider, although you can receive the greatest value and maximize your benefit dollars if you select a provider who participates in the network. If you choose an out-of-network provider, you must pay the provider directly for all charges and then submit a claim for reimbursement to:

Vision Care Processing Unit
P.O. Box 1525
Latham, NY 12110

To request claim forms, please visit the Davis Vision website at www.davisvision.com or call 1-800-999-5431.

May I use the benefit at different times?

To maintain continuity of care, we recommend that all services be obtained at one time from one network provider.
