Special Edition: Response to New York Attorney General Announcement

News

UnitedHealthcare and its parent company, UnitedHealth Group, take very seriously the announcement made by the office of the New York Attorney General today related to the Ingenix Prevailing Healthcare Charges System (PHCS).

We stand by the high quality, dependability and integrity of our database tools. Our mission is to improve health care through information and technology, and we clearly understand and accept our responsibility to you and the health care system. We recognize the excellent health care delivered to patients by the physicians and other health care professionals of New York and remain committed to fair and appropriate payment for their good work.
