## Created by Experts

400+ attorneys from 70 of the country's top employment law firms, including our own in-house attorneys and HR professionals, contribute to the creation and maintenance of our online courses.

## Group Management

Organize trainees into groups by location, position type, or assigned courses.

## Detailed Reporting

View real-time learner progress and download report results into an Excel spreadsheet.

## Trainee Profiles

Active trainees access their own trainee profile showing courses they've been assigned, progress, quiz results, and any earned certificates of completion.

## Email Notifications

Send login credentials, course assignments, due dates, and reminders with system-created email notifications.

## Mobile Compatible

All courses can be taken on-the-go using a tablet or smartphone.

## User Friendly

Skip the learning curve with our easy to use platform plus telephone and email technical support.
